

Interteaching Preparation Guide 1
Module 2

Date and session duration:

Group members present	Role

Sharing Experiences

1. If you are working in ***schools***, share how FBAs are conducted in schools.
Who conducts the FBA?

When is an FBA conducted?

What assessment tools are typically used?

2. If you are working in a ***home-based or community settings***, share how FBAs are conducted in home/community based agencies.

Who conducts the FBA?

When is an FBA conducted?

What assessment tools are typically used?

3. Conclude the experiences above. Discuss the policies related to when it is mandated and procedures in terms of who conducts the process and the tools used across settings. Incorporate the challenges related to getting an FBA done and getting it done well.

Seminal Articles

Read Dixon, Vogel, and Tarbox (2011). A brief history of functional analysis and applied behavior analysis. In Matson, J.L. *Functional Assessment for Challenging Behaviors* (pg 3-24). New York: Springer.

4. What is the significance of the work conducted by Carr (1977)?

5. What is the significance of the work conducted by Iwata and colleagues in 1982?

6. What have we learned about the FBA process across populations and behaviors?

7. How does the setting affect functional assessment methodology?

8. Review your responses to question number 3 and 7. Are there similarities in practitioner concerns and researcher concerns?

Review of Literature

Read the following articles in the following order:

Hanley, G.P., Iwata, B.A., & McCord, B.E. (2003). Functional analysis of problem behavior: A review. *Journal of Applied Behavior Analysis*, 36, 147-185.

Beavers, G.A., Iwata, B.A., & Lerman, D.C. (2013). Thirty years of research on the functional analysis of behavior. *Journal of Applied Behavior Analysis*, 46, 1-21.

Hanley, G.P. (2012). Functional assessment of problem behavior: Dispelling myths, overcoming implementation obstacles, and developing new lore. *Behavior Analysis in Practice*, 5, 54-72.

9. Provide a brief summary of the research that was conducted in prior to 2000.

10. Provide a brief summary of the research conducted 2001-2012.

11. Review your responses for question 8. Based on the concerns identified by Hanley (2012), were your concerns identified?

Identify 3 concerns and the considerations to overcome these obstacles.

As a group, complete the following forms and evaluations

- Interteaching group performance rating
- Interteaching clarifying questions
